

THE PSYCHOLOGY OF FLUENCY

GABRIELA B. AEBERHARD

Make the most of it!
Stick with it!
Cut yourself some slack!
One day at a time!
Recharge your batteries!
Deal with it!
Little by little!
Lighten up!
You're on the right track!
Put yourself out there!
Keep at it!
Piece of cake!
Get the basics down!
Don't be hard on yourself!
As long as it takes!
Stay on track!
Give yourself credit!
Strike up a conversation!
Take it easy!
One step at a time!
Put in the hours!

THE PSYCHOLOGY OF FLUENCY

How to speak English better and truly
believe that you do
